Pendleton, Indiana 46064**

AN INVITATION TO RECORD YOUR HISTORY

The Town of Pendleton Bicentennial Committee is producing a historical/pictorial book of Pendleton to celebrate the bicentennial in 2020. Along with the historical sections, this volume will also contain a PATRON section of the vital Pendleton businesses, churches, families and organizations.

As a significant member of the community, it is important to capture the history of your institution or family in print for future generations and historians to enjoy. All Pendleton institutions or families are invited to submit their written history for prominent display in the professionally designed PATRON section. Imagine the prestige that

will be rendered to your institution or family in the official bicentennial history book by including it in this PERMANENT RECORD of Pendleton. This commemorative publication in a cover size of 9"x12" will be hardbound, coffee-table style book with a printed 4/color cover and a color dust jacket. High quality 70 lb. gloss paper is being used for excellent photo reproduction.

When writing your institutional or family history, include any information you feel pertinent, the date your institution was established or when your family settled in Pendleton, location(s), who founded the institution or with your family births deaths and marriages, growth, etc. For a full-page history, please submit approximately 800 words with two photos. (We suggest one historical and one current.) For a half-page, submit approximately 300 words with one photo. Digital files are acceptable, but please include a hardcopy of your history and make sure that your photos are at least 300 dpi at their actual size. The photographs should be saved separate from the text document and saved in high resolution JPG or TIFF files. Low resolution photos cannot be used for reproduction. You may visit our publisher's web site at www.mtpublishing.com for examples of their work or contact them at info@mtpublishing.com with questions about submitting files electronically.

Patron sponsorships are being sold in four levels. You may purchase a full page in full color for \$500, a full page in black-white for \$240, a half-page in full color for \$400 or a half-page, black-white for \$195. Full page patrons will also receive a complimentary copy of the book. Please contact Jessica Smith at 765-606-0221 or JSmith@town.pendleton.in.us with any questions about becoming a patron.

The submission date for submitting material and payment for a patron page is NOVEMBER 30, 2018.

Sincerely,

Jessica Smith
Bicentennial Committee Chair
