The Pendleton Board of Zoning Appeals (BZA) is authorized to approve or deny Conditional Use requests in accordance with the terms of the Pendleton Unified Development Ordinance. The BZA may impose reasonable conditions as part of its approval (see Indiana Code 36-7-4-918.2).

The Board of Zoning Appeals shall review the particular facts and circumstances of each proposed Conditional Use request in terms of the following nine (9) standards. The BZA shall determine whether there is adequate evidence showing the truth of the following statements:

1. The proposed Conditional Use is, in fact, a conditional use established within the specific zoning district involved.

Explain why this statement is true in this case:

2. The proposed Conditional Use will be harmonious with and in accordance with the general objectives or with any specific objective of the Town's Comprehensive Plan and the Unified Development Ordinance. Explain why this statement is true in this case:

3. The proposed Conditional Use will be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and will not change the essential character of the same area. Explain why this statement is true in this case:

4. The proposed Conditional Use will not be hazardous or disturbing to existing neighboring uses. Explain why this statement is true in this case:

5. The proposed Conditional Use will be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewer, and schools; or that the persons or agencies responsible for the establishment of the proposed Conditional Use shall be able to provide adequately any such services. Explain why this statement is true in this case:

6. The proposed Conditional Use will not create excessive additional requirements at public expense for public facilities and services and will not be detrimental to the economic welfare of the community. Explain why this statement is true in this case:

7. The proposed Conditional Use will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any persons, property, or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare, or odors. Explain why this statement is true in this case:

8. The proposed Conditional Use will have vehicular approaches to the property which shall be so designed as not to create an interference with traffic on surrounding public thoroughfares. Explain why this statement is true in this case:

9. The proposed Conditional Use will not result in the destruction, loss, or damage of a natural, scenic, or historic feature of major importance. Explain why this statement is true in this case:

The above information, to my knowledge and belief, is true and correct.
