BESTWAY-DISPOSAL.COM

Dear Valued Customer,

With the holidays fast approaching Bestway Disposal wanted to send out our planned working schedule. Best Way will be running all trash and recycle routes on Thanksgiving Day. There will be no interruption of service the week of 11/20/23-11/25/23.

Please have your trash carts out the night before as we plan on starting earlier than normal so our employees can enjoy time with their families.

Best Way will not be working on Christmas Day & New Years Day. With these holiday's falling on a Monday, service will be pushed back one business day both weeks.

Warm Regards,
Best Way
